

HELSPUPRON SEVEN 2012 REUNION

Ahoy Seadevils!!

July 26, 2010

We have received such a positive reaction from so many Seadevils thus far that we need to move into phase two, informing you how to get in touch with the Radisson Tucson and get your suite reserved. **The following is very important.** You should not waste too much time in making your reservation because, we have arranged for 50 rooms per night. I feel we may need more.

Having said this, I can get more, if they are available at the time of need. Our cut-off date for the current price and number of rooms is February 20, 2012. But, if we wait until then, we may not be able to get any more suites, and even if we can, they most likely will be at the regular prevailing prices and not the discounted rate HC-7 is currently guaranteed. FYI - *The HC-7 rate is also available to us 3 days prior to the 22nd of April as well as up to 3 days after the 26th.*

Please understand I don't want anyone to have to look elsewhere or pay more because they didn't reserve their suite early enough. If you reserve now, and find it necessary to cancel, you will be able to, without penalty, if you do so a full 24 hours prior to your day of arrival.

In order to reserve your suite, you have three (3) options:

1. Call the hotel at 520-721-7100 ask for reservations and refer to the HC-7 Navy Helicopter Squadron,
2. Call 800-333-3333, Radisson's central reservations number with the same information as #1 above,
3. Go on line to www.radisontucson.com and use the following code: **412NHS**

Please Email me, with your name attached, @ gprapim@yahoo.com and tell me you have made your reservations, and for what nights. I need to maintain a list so I can stay on top of our needs & block more suites as we need them.

YOUR COOPERATION IS REQUESTED SO EVERYONE WHO IS COMING TO THE 2012 REUNION WILL HAVE THEIR ACCOMMODATIONS AT THE RADISSON TUCSON.
